

INVITATION

HRSA's Office of Health Information Technology (OHIT) is pleased to announce that OCHIN will be hosting an EHR/HIT workshop for the second year in a row

The upcoming workshop will be hosted by OCHIN, Inc.,
(formerly known as Oregon Community Health Information Network)

July 29th-30th, 2009 in Portland, Oregon
Hotel Monaco 506 S.W. Washington at Fifth Ave
Portland, OR 97204
Toll-Free 866.861.9514 | Local: 503.222.0001

WORKSHOP GOALS:

At the end of the workshop participants will be able to identify key elements for successful EHR implementation and provider adoption, and develop a strategic plan for EHR planning, vendor selection and implementation.

This vendor-neutral EHR workshop is specifically designed to help organizations with the following:

- Craft a strategic planning and stakeholder buy-in process
- Develop of a trans disciplinary implementation team
- Identify strengths and challenges associated with "going it alone" versus joining a network
- Develop a vendor selection process
- Develop staff and provider training
- Understand key elements for successful implementation and provider adoption
- Understand that EHR adoption is not an end in and of it self but the beginning of a new way of providing healthcare

WHO SHOULD ATTEND?

- HRSA-funded grantees from region IX or X
- Planning to implement an EHR in 6-12 months
- Part of a new or existing network, or planning to join a network

LOCATION:

Hotel Monaco is conveniently accessible to and from the Portland airport by public transit. A small block of rooms has been reserved for this conference; please call the hotel directly to make your reservation. Mention OHIT/OCHIN EHR Workshop.
